FEE ASSISTANCE

Emmanuel College is a fee-paying school and all families are expected to contribute to the cost of their child's education. We understand the cost increases as additional children are enrolled and so the College offers a discount for each additional child (see information below). We also work with families to implement arrangements to flatten and spread the fee cost over time. We invite you to sit with the College Business Manager to explore how this works or to get a head-start on fee payments that will help contain the cost of educating your children at Emmanuel College.
