

Emmanuel College

Emmanuel College is a dynamic learning community, bringing to life the Gospel values of Faith, Hope and Love and continuing in the Catholic tradition of Catherine McAuley and Edmund Rice.

VISION

VALUES

FAITH. HOPE. LOVE.

GUIDING PRINCIPLES

We encourage Emmanuel students to respect the traditions of the past, to grow their personal faith and spirituality in the present and embrace the future with confidence and hope.

We empower students to serve and act with compassion and justice as members of Church, local and global communities.

We employ staff who are progressive, innovative, and principled life-long learners who value the privilege to shape the learning of young people.

We provide a challenging and stimulating learning environment that encourages all to grow; to achieve and exceed their potential.
We pursue excellence in education.

We value and foster the supportive relationship between students, staff, families and parishes in Catholic Education. Our motivation for growth is built upon a foundation of respectful relationships.

We promote leadership built of courage and character that pursues excellence and is future focused.

We are a Child Safe environment that holds the safety, wellbeing and pastoral care of young people as a fundamental responsibility and central to their learning.
